Annual Food Drive by Letter Carriers

**SATURDAY,
May 8, 2010**

TO: All Members, Stewards, Chief Stewards

The National Association of Letter Carriers (NALC) **National Food Drive** is held annually on the second Saturday in May. The drive helps stock local community food banks, pantries and shelters with non-perishable food items that our Letter Carriers collect along their mail routes.

This drive, has become the world's largest one-day food drive, and was started by the NALC in 1991 along with the U. S. Postal Service and the AFL-CIO. The United Way also became a full partner in 1994. The CWA and our Local wholeheartedly supports this worthy drive.

So, *please remember* this date, **SATURDAY, May 8th**, and leave non-perishable food near your mailbox for your Letter Carrier to pick-up and help our local Food Banks!

During this economic crisis, your help will be appreciated more than ever as thousands have joined the hunger rolls.

THANK YOU FOR YOUR GENEROSITY!

In Unity,

MICHAEL C. TRAVALI
Secretary-Treasurer
