MEMORANDUM - No. 14

BASE WAGE CHART

AUGUST 1, 2010

TO: ☺ All Members, Stewards, Chief Stewards

Attached is the base wage chart, at maximum, for the wage increase due to take effect on August 1, 2010. The new rates are based on the 3.75% (.375) increase that CWA negotiated 2008. Your new rate should be reflected on the pay check you receive on August 13, 2010.

If you are not at the maximum base wage rate, you can calculate your increase by multiplying your current base wage by (.375) and adding that number to your current rate.

Unfortunately, we did not receive a COLA adjustment this year because the increase in the CPI between May 2009 and May 2010 did not meet the threshold in the contract.

If you have any questions, please feel free to call me at (732) 446-2201.

In Unity,

MICHAEL C. TRAVALI
Secretary-Treasurer
